I. POLICY STATEMENT

The Board of the Philadelphia Regional Port Authority, an independent agency of the Commonwealth of Pennsylvania, pursuant to Sections 697.4 and 697.6(c)(5) of the Philadelphia Regional Port Authority Act, has adopted a policy on diversity inclusion, set forth in Part X of the Contracting, Procurement, and Leasing Policies and Procedures, revised as of November 2015 (the “Diversity Inclusion Policy” or the “Policy”).

It is the policy of the Philadelphia Regional Port Authority (“PRPA”) to promote opportunities for full participation by Minority-owned, Women-owned, Veteran-owned or Service-Disabled-Veteran-owned and LGBT-owned small businesses, hereafter collectively referred to as disadvantaged business enterprises (“DBEs”) in all project-related construction contracts to the greatest extent feasible and to do so by insuring that all Prime Contractors do not discriminate in the solicitation, award and administration of construction subcontracts on PRPA’s projects.

Further, PRPA’s policy is to extend the applicability of the Diversity Inclusion Policy to other professional and non-professional services for which PRPA contracts.

II. DIVERSITY INCLUSION PLAN

A. DBE Requirements

PRPA shall take all necessary and appropriate steps to assure that its Prime Contractors do not discriminate and use DBEs in accordance with this Diversity Inclusion Plan (the “Diversity Inclusion Plan” or the “Plan”) for all project-related construction contract awards that exceed the bidding threshold established annually for authorities in Pennsylvania.1

III. DEFINITIONS

A. Bidder Responsiveness - Actions taken by a Prime Bidder to seek participation by Subcontractors as defined below who are DBEs, and documented in the bid. Responsiveness includes submission at the time of the bid of the DBE Solicitation and Commitment Statement (similar in content to Exhibit 1), and, if needed, documentation providing an explanation for failure to achieve minimum levels of participation (MPLs). This documentation must demonstrate that the bidder has not engaged in discriminatory practices and may include a description of any barriers or impediments encountered despite the actions taken.

B. Bidder Responsibility – Demonstration of non-discrimination in the selection of Subcontractors. Bidders are presumed to meet these responsibilities if minimum participation levels established for the project on the pertinent subcontract are achieved. Non-discrimination can also be demonstrated by submitting

1 Although the Plan is termed the “Diversity Inclusion Plan,” the intent of the Plan is to achieve both Diversity and Inclusion, as two distinct characteristics, with respect to its construction contracts.
supplemental evidence that failure to achieve the MPLs was not motivated by consideration of race, gender or other impermissible criterion; that DBEs were not treated less favorably than others; and that solicitation and commitment decisions were not based upon policies which disparately affect DBEs.

Control shall be real, substantial, and continuing, not merely pro forma. Control shall include the power to direct or cause the direction of the management and policies of the business and to make the day-to-day as well as major decisions in matters of policy, management, and operations. Control shall be exemplified by possession of the requisite knowledge and expertise to operate the particular business. Control shall not be vested in majority or absentee ownership. Control by a DBE defined herein shall not be deemed to exist in any case where any majority owner or employee of the business is disproportionately responsible for the operation of the firm.

IV. CONTRACTOR COMPLIANCE GENERALLY

A. Minimum Participation Levels (MPLs)

PRPA will establish minimum participation levels (MPLs) for the DBEs on a project-by-project basis. The MPLs will be established for each prime bid to be used solely as a guide in determining Prime Bidder responsibility. MPLs are applied to each bid category. The MPLs will vary based on the market availability of subcontracting opportunities for DBE’s, on a project-by-project basis.

PRPA shall endeavor to establish MPLs on the basis of actual market availability that matches the scope of work included in the project and available DBE firms, on a project-by-project basis with separate participation levels for the DBE categories.

B. Bidder’s Submissions at Time of Bid

The Prime Bidder shall submit the DBE Solicitation and Commitment Statement (similar in content to Exhibit 1) with its bid, showing efforts made to solicit DBE Subcontractors, and written confirmations of the intent to use the identified Subcontractors if awarded the prime contract. Prime Contractor’s DBE Contact/Solicitation and Commitment Statement shall include the names of all companies and individuals contacted or solicited for participation in the project, the type of work, material, supplies or equipment involved in the solicitation, the total dollar amount of each quote received, the time of solicitation, and, where applicable, the total dollar amount of each subcontract that would be awarded.
C. Safe Harbor and Compliance at Time of Bidding

In the absence of evidence to the contrary, compliance with the requirements under this Plan to demonstrate both bidder responsiveness and responsibility is presumed if MPLs are achieved.

If MPLs are not met, the Prime Bidder shall document why it was not feasible to meet the numerical levels by submitting evidence that failure to achieve MPLs was not motivated by consideration of race or gender, or other disadvantaged status; that DBEs were not treated less favorably than others; that solicitation and commitment decisions were not based upon policies which disparately affect DBEs. Justification for not meeting the MPLs may include impediments encountered despite actions taken.

PRPA shall send a letter to each Prime Bidder receiving an award on the project that provides information on compliance with DBE requirements, using the Standard Form of PRPA’s Letter to Prime Contractor After Award of Contract (similar in content to Exhibit 2).

The successful Prime Contractor shall, within three days of receipt of PRPA’s letter, provide notification to each of the DBE Subcontractors of the award and shall request confirmation of the amount of the subcontract and the source of the Subcontractor’s certification, using the Standard Form of Prime Contractor’s Letter to Subcontractors After Notice of Award to Prime Contractors (similar in content to Exhibit 3).

D. Compliance Responsibilities – PRPA and Prime Contractor

PRPA has the responsibility to comply with the requirements under this Plan and ensure non-discrimination in the selection of Subcontractors, and in the administration of the project.

Prime Contractor has the responsibility to meet its commitments made during bidding by utilizing each Subcontractor it selected to the full extent of the subcontract value. The failure to meet minimum participation levels at the completion of two projects shall warrant Prime Contractor’s disqualification from contracting with PRPA for a period of six months and the imposition of liquidated damages in the amount of 10% of the dollar amount of the shortfall in the commitment to compensate PRPA for the administrative costs of addressing the deficiency and not as a penalty.
E. **Prime Contractor’s Submissions during Project Administration**

Prime Contractor shall submit periodic reports as specified in this Plan and in the Contract Documents. Specifically, Prime Contractor shall submit the Prime Contractor DBE Monthly Reporting Form Summarizing Payments Made (similar in content to Exhibit 4) for each project. Further, Prime Contractor shall require and cause its Subcontractors to submit the Subcontractor’s DBE Monthly Reporting Form Summarizing Payments Received (similar in content to Exhibit 5) directly to PRPA. Both forms shall be coordinated temporally or by pay period, meaning that the same periods of time shall be used on both forms when submitted, using the dates of the checks, fund transfers, etc.

V. **PROCEDURES – CLAUSES INCLUDED IN BIDDING AND CONTRACT DOCUMENTS**

PRPA shall insert the following in the appropriate contract document, establishing requirements applicable to the Prime Bidder:

A. **Advertisement / Invitation for Bid (IFB)**

All advertisements for IFB will include the following statement:

“The bidder must submit documentary evidence of solicitations from DBEs, which have been contacted and to which commitments have been made. Documentation of contract solicitations and commitments shall be submitted concurrently with the bid.”

B. **Instructions to Bidders (ITB)**

The following statements will be placed in the bid documents, establishing requirements applicable to the Prime Bidder:

1. **Participation Level**

   a. PRPA has established the following minimum participation levels (MPLs) for Disadvantaged Business Enterprises in accordance with a policy on diversity inclusion, set forth in Part X of the Contracting, Procurement, and Leasing Policies and Procedures, revised as of November 2015, the provisions of which are incorporated as though fully set forth herein.

      - MBEs ___% of the total dollar amount of the _____ contract
      - WBEs ___% of the total dollar amount of the _____ contract
      - Veteran or Service-Disabled Veteran Business Enterprise ___% of the total dollar amount of the _____ contract
LGBT Business Enterprise  ____% of the total dollar amount of the ______ contract

To be credited with minimum participation, the Prime Bidder must provide a minimum of ____% participation in any category selected, must select at least two categories, and must have a total participation of ____%.

MPLs are established for this project to be used solely as a threshold in determining Prime Bidder responsibility. Prime Bidders are presumed to meet their responsibilities under the Policy if the dollar commitments to the DBEs reflect these participation levels. A Prime Bidder will not be rejected as non-responsible solely because it fails to reach the MPLs. To determine the participation level that has been reached, a Prime Bidder shall divide the total dollar amount of the commitments for the project by the total dollar amount of the Prime Bidder’s contract award.

b. DBE subcontracts will be credited toward the MPLs at 100%. DBE stocking suppliers and manufacturers are credited at 100%. DBE non-stocking suppliers, which are commonly and ordinarily the custom in the industry and a part of the industry’s trade practices, are credited at 100%. Non-stocking suppliers, which are not commonly and ordinarily the custom in the industry nor a part of the industry’s trade practice, are not credited.

c. A prospective Subcontractor that qualifies in one, two, three or all four categories, will only receive credit toward MPLs as one but not more than one. Prime Bidders must indicate on the DBE Solicitation and Commitment Statement (similar in content to Exhibit 1) how the prospective Subcontractor should be credited.

d. A DBE which is the Prime Bidder on a project with a contract valued at $100,000 or less will receive full MPL credit for its own work effort for services provided. Such a business bidding as Prime Contractor should nonetheless attempt to hire and solicit other, certified DBEs for participation in subcontracts.

e. DBE Subcontractors providing labor must perform at least seventy-five percent (75%) of the cost of the subcontract, not including the cost of materials, with its own employees.

C. General Conditions

PRPA will include following provisions in construction contracts, establishing requirements applicable to Prime Contractor.
1. Reporting Requirements After Award

a. Prime contractors must provide PRPA directly with the Prime Contractor’s Monthly DBE Business Utilization Report (similar in content to Exhibit 4) for each project that is underway and for which payment applications are being submitted. The report shall include the names of and the total dollar amount paid to all DBE Subcontractors utilized under this contract.

b. Subcontractors must provide Prime Contractor and PRPA with the Subcontractor’s Monthly DBE Business Utilization Report for each project (similar in content to Exhibit 5), reflecting Prime Contractors that have purchased their labor, equipment, materials or supplies. The report shall reflect the name of Prime Contractor, the total dollar amount invoiced, and total dollar amount received for payment. The periods of time covered by Prime Contractor’s report and that of its Subcontractors shall be coordinated.

2. Joint Ventures and Subcontracting

a. Joint Venture.

Project-related contracts that involve a joint venture with a DBE firm must include the following clause:

If the joint venture relationship identified as the _______________ is dissolved, Joint Venture Firm Name or otherwise discontinued, (_______________), Name of Replacement Prime Contractor Replacement Prime Contractor, as the successor on the contract, shall continue this commitment by entering into contractual agreements with other appropriate firms to perform work on this contract. Replacement Prime Contractor must submit all requests for change orders to PRPA for approval.

b. Subcontracting.

Subcontracts with DBE firms must include the following clause:

If the subcontracting commitment made to the ________________ is terminated or materially reduced, ____________________________, Name of Subcontractor Name of Prime Contractor agrees that the termination or material reduction is subject to the approval of PRPA, which approval shall not be withheld unreasonably.
VI. PROCEDURE TO SOLICIT PARTICIPATION

A. DBE Certification

1. Prime Bidders will only be given credit for DBEs that are certified or accepted as certified DBEs by programs approved by, and in accordance with additional requirements set forth by, Board resolution.

2. Under the State Act of December 21, 1984, No. 230, P.L. 210, 18 PA. C.S.A. § 4107.2 a person commits a felony of the third degree if, in the course of business, he/she engages in deception relating to DBE certification.

3. To be credited, the certification relied upon must be for the category of labor, equipment, materials or supplies that would be used by Prime Contractor in the proposed subcontract with the Subcontractor. For example, a certification as a masonry contractor does not qualify as a certification to supply electrical equipment.

B. Notification to DBEs

The procedure for Prime Contractor to notify DBEs of contract shall be as follows:

1. **Notice of ITBs**

   The Prime Bidder shall utilize available information regarding certified DBE firms capable of performing in the project’s area. PRPA shall provide reasonable assistance to the Prime Bidder. The Prime Bidder shall provide notice of the project to DBE firms so identified and to other qualified DBE firms and shall otherwise provide the same level of communication and interaction with prospective DBE Subcontractors as it would to other companies with which the Prime Bidder routinely contracts.

2. **Other Notices** - Notices of the DBE subcontracting opportunities will be sent by PRPA to appropriate organizations, such as:

   a. local minority churches and civic organizations;

   b. appropriate (1) minority business technical assistance organizations and schools, (2) minority, women, veteran, LGBT and small business contractor associations and appropriate trade organizations; and,

   c. other business assistance agencies, community organizations, and media organizations such as trade association papers and
newsletters, community television networks, local newsletters, and radio advertising.

3. **Plans and Specifications** - Plans and specifications and all bidding documents on all projects will be made available to potential Subcontractors, and DBE contractor associations, and trade organizations, through Penn Bid and similar web-based databases, and otherwise as may be appropriate.

4. **List of Plan holders** - The names of Prime Bidders requesting bid documents will be made available upon request by PRPA to DBE firms which provide labor, equipment, materials or supplies that appropriate to the scope of project work being solicited.

5. **Lists of DBE’s Businesses** - PRPA will provide each Prime Bidder obtaining plans and specifications for a project with any available lists of DBE firms.

**VII. PROCEDURE TO EVALUATE BIDS**

A. **Responsiveness**

1. The Prime Bidder must complete and submit the DBE Solicitation and Commitment Statement (similar in content to Exhibit 1) with the bid. Failure to submit a completed form with the bid will result in the bid being rejected as nonresponsive.

2. The Prime Bidder should only solicit DBE Subcontractors whose labor, equipment, materials or supplies are within the scope of work and which the Prime Bidder reasonably believes it could choose to subcontract with or purchase from.

3. Prime Bidders failing to meet the MPLs must submit concurrently with the bid, an explanation of why the MPLs have not been met. This explanation must demonstrate that the Prime Bidder has not engaged in discriminatory practices in the solicitation and utilization of DBEs to perform as Subcontractors on the project. The evidence submitted by the Prime Bidder must demonstrate the following:

   a. indicate whether DBE firms were solicited for each type of work the Prime Bidder expects to subcontract for and for all materials which the Prime Bidder expects to procure and, if not, the reason(s) why no such solicitation was made;

   b. indicate the reason why commitments were not made to DBE firms for a type of subcontract labor, equipment, materials or supplies in any areas where quotes were received from such firms; and
c.  in any case where no quotations are received from, nor commitments made to DBE firms, indicate on Exhibit 1 that no quotes were received, and if there is another reason for no commitments being made, the reason for the lack of commitments.

4.  If the Prime Bidder fails to submit such evidence, the bid submission shall be considered non-responsive and the bid shall be rejected.

5.  Information related to the above shall be submitted on Exhibit 1 with the bid and on such additional materials as the Prime Bidder wishes to attach.

B.  Responsibility

1.  The submittals of each Prime Bidder are subject to review by PRPA to determine whether the Prime Bidder has discriminated in the selection of Subcontractors.

Where the MPLs are not met, PRPA will determine whether discrimination has occurred. If, after investigation including a review of Exhibit 1, other materials submitted by the Prime Bidder, and such additional documents and information as PRPA has secured, it is determined that discrimination has occurred, the Prime Bidder shall be deemed to be not responsible and the bid will be rejected.

2.  Documentation submitted by the Prime Bidder should meet the following standards for review:

   a.  the Prime Bidder whose actions resulted in a limited or no commitment to DBE firms was not motivated by consideration of race or gender;

   b.  DBE firms were not treated less favorably than other businesses in the hiring and/or contract solicitation and commitment processes; and

   c.  solicitation and commitment decisions were not based upon policies that disparately affect DBE firms.

3.  Commitments to DBE firms at the time of bidding must be maintained throughout the project unless a change in commitment is approved in advance by PRPA. Such approval shall not unreasonably be withheld.

C.  Access to Information

PRPA may obtain documents and information from any Prime Bidder and any Subcontractor as may be required to ascertain Prime Bidder’s contractor responsibility. Failure to provide requested information may result in the Prime Bidder’s bid being declared non-responsive, the Prime Bidder being declared not
responsible, or both.

VIII. PROCEDURES – RECORDS AND REPORTS

A. Records and Reports

1. PRPA will send letters to Prime Contractors, confirming DBE contract awards and explaining the monthly reporting requirements (similar in content to Exhibit 2). In addition, the Prime Bidder will send letters to all DBE Subcontractors (copy to PRPA) explaining their monthly reporting requirements (similar in content to Exhibit 3).

2. PRPA shall report periodically on project-related contracting opportunities, solicitations, and commitments, based upon reports received from Prime Contractors, using PRPA’s Monthly DBE Business Utilization Report (similar in content to Exhibit 6).

3. PRPA will review all reports received to determine if the commitments made by Prime Contractors in their bids are being met. This review is to be done contemporaneously with the receipt of payment applications, and in any event prior to final payment being made to Prime Contractor.

4. PRPA will keep such records as are necessary to determine compliance with its DBE requirements. These records must be in sufficient detail to indicate the prime contract work performed, and the percentages of project-related work that is being performed by DBEs.

5. Prime Contractor must retain DBE records related to the construction period for a period of four years after final completion of the project. If any litigation, claim, negotiation, audit, or other action has been commenced before the previously mentioned record retention periods, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the previously referenced record retention period, whichever is later.
