Re: **ADDENDUM NO. 1**
23-056.1 - On Call Masonry and Concrete Investigation and Repairs at Various PhilaPort Facilities

This Addendum No. 1 is issued to:

1. Provide responses to the following questions received:

Q1: Could you please clarify Pick-up Truck and Equipment?

A1: Pick-up Truck w/ Equipment Day Rate is for any necessary compressor, generator, and masonry tools that are above and beyond basic tools included in the labor rate.

Q2: Could we get a list of Equipment to include in our per day price?

A2: See Response to Q1.

Q3: Page 9 Section 9 Bid Guaranty asks for a check instead of a bond for up to 10% of the Gross Amount of the Base Bid. Is there a Base Bid Amount to be used for this as this is a maintenance project with no listed value at this time? Can a bond be used instead of a check?

A3: Per the RFP document, the requirement for bid security/bid guarantee has been deleted.

All other terms and conditions remain unchanged.

Bidders shall acknowledge receipt of this addendum by immediately emailing a copy of the completed acknowledgment to Kate Bailey at procurement@philaport.com
